**RESPONSE TO NOTICE TO OF NON-COMPLIANT AMENDMENT**

This is in Response to the Notice of Non-Compliant Amendment, Mailing Date September 6, 2006 in which there was noted the following objections to the instant patent application:

- 1) each section did not start on a separate sheet; and
- 2) each claim was not provided with the proper status identifier.

Applicant wishes to respond to that Office Action as follows:

Applicant has amended the specification to begin each section on a separate sheet. Furthermore, applicant has amended the specification such that each claim is provided with the proper status identifier, and as such, the individual status of each claim can be identified. The status of every claim has been indicated after its claim number by using one of the following status identifiers (Original), (Currently amended), and (Canceled).

Inventor: Mr. Aaron Bush  
Null Magnetic Field Simulator for Treatment of Medical Conditions  
Ser No. 10/779,354-Response to Office Action of September 18, 2006

Hence, Applicant submits that the instant application is now in condition for allowance and earnestly solicits an expedient Notice of Allowability.
